3. [REDACTED] ADMINISTRATIVE - DELIVERIES

In the absence of Mark Gitenstein, ~~Senate Select Committee on Intelligence staff~~, delivered to Martha Tally, also of the ~~Select Committee~~, a copy of the Attorney General's letter to the DDCI of 19 October 1976 regarding guidelines for certain CIA activities.

4. [REDACTED] LIAISON Tom Moore, ~~Senate Select Committee on Intelligence staff~~, asked me what the Agency knew about

[REDACTED] He had seen some reference to this codeword in some Army documents and was seeking additional information.

5. [REDACTED] HEARINGS Met with Dan Childs,

~~Senate Select Committee on Intelligence staff~~, and discussed the ~~Committee's upcoming budget authorization hearings~~. Childs provided me a list of tentative dates for the hearing. Of particular relevance are the 23 February NFIP overview, the 3 March scheduled session on the Intelligence Community Staff budget, and the 22 and 23 March hearings on the CIA budget. We also discussed Childs' request for briefing on a recent Reserve release. Childs said he wanted to speak to Bill Miller, Staff Director of the Committee, again about it before any additional plans were made. I suggested that he speak to Mr. Cary at the Senate Select Committee on Intelligence briefing that afternoon, after he had talked with Miller.

25X1 6. [REDACTED] BRIEFING Accompanied [REDACTED] 25X1
OWI, at a briefing of Chairman Olin E. Teague (D., Texas), House
Science and Technology Committee, which was conducted in his hospital
room at the Bethesda Naval Medical Center. [REDACTED] covered the 25X1
Soviet anti-satellite program and recent Soviet space developments.
(See Memorandum for the Record prepared by [REDACTED]) Mr. Teague 25X1
was most appreciative of the efforts made for the briefing and expressed
a very high regard and support for the Agency. He asked if we had any
information as to an energy shortage in the Soviet Union and if they have
any breeder reactors for energy use. I told him I would check and get 25X1
the information to him.
